

STAC
Student-to-Author Conference

October 19th, 2019

Sherwood Park

The **Student-to-Author Conference** is an event to connect Junior and Senior High school students with Authors, Illustrators and industry professionals who can share with them their experiences, advice and tricks of the trade.

This will be our first year for this conference! Our goal is to include 200 or more students in grades 7 – 12. Students choose from various sessions that are offered throughout the day. Authors and Artists will have the opportunity to sell their work at our book sale and at the end of the day students can get their purchases signed!

Teachers, students and community members have volunteered to help run this non-profit event that will be held at Salisbury Composite High School. We are so excited and hope this is the first STAC of many to come!
