

Great

BOOKS

for EIPS kids

Elk Island Public Schools believes that one of the most important things we can do with our children right now is make sure they are reading independently everyday!

For our younger students, who are unable to this on their own, the next best thing is having a story read to them, either online, or in person.

Below is a list of great book suggestions for kids to read. We have also included a list of books to read aloud to your child.
