

Summer school is an opportunity for students to earn credits, upgrade marks, lighten workloads for the year ahead or finish pre-requisite courses.

Registration is open to all current EIPS students, or those registered to attend an EIPS school in 2022-23, who are entering grades 10-12 in 2022-23 or currently in Grade 12.

Register at
eips.ca/summerschool
starting April 19

SPECIALTY COURSE DESCRIPTIONS

Competencies in Math 15 (5-credits)

Recommended for students who demonstrated basic achievement of Grade 9 Math curriculum and were challenged by algebra, exponents, fractions and problem solving in Math 9.

Extreme CTS: Film Production (4-credits)

Learn about the art and history of cinema while experiencing the filmmaking process from the conception of the idea through storyboarding, scripting, shooting and editing.
