

APPLYING FOR EMPLOYMENT INSURANCE (EI) BENEFITS

IMPORTANT NOTICE FOR TEACHERS - 2014

The information below will assist you in completing your application for EI benefits. Ensuring your application is completed correctly and on time will help reduce processing delays.

How to File?

Go to: www.servicecanada.gc.ca - select "Apply for Employment Insurance".

Reference Code

A reference code has been assigned to facilitate the processing of school board claims. When you begin the online application process, you will be asked to enter a reference code. Your reference code is:

4812012014724665

The reference code must be entered **exactly as shown**.

Be sure to apply between June 1 and August 30, 2014, since your reference code is only valid during that time period.

Note: The reference code should only be used if you are applying for **regular** benefits. **Do not use the reference code if any of the following applies to you:**

- The reason for separation from your employment is other than a temporary layoff or shortage of work,
- You are applying for special benefits, i.e. sickness, maternity, parental or compassionate care benefits, or
- You are pregnant and you would like to automatically switch to maternity benefits immediately after collecting regular benefits.

When to File?

Submit your application around the same time your Record of Employment (ROE) is issued. **Do not wait more than 4 weeks after your last week of work to file your application or you may lose benefits**

If you have any weeks left on your previous claim it will automatically be renewed. If you wish to start a new claim contact our EI call centre at 1 800 206-7218 prior to making your application.

If there are **4 weeks or less payable** on your claim and you do not work after your claim is reactivated, you will **not** need to complete another application. **In all other cases**, you will have to file a new application once you receive your final payment notice for your existing claim.

What to Submit?

Record of Employment (ROE) - If your employer issues Records of Employment (ROEs) in paper format, you must request copies of all ROEs issued during the last 52 weeks. You will need to provide us with these paper ROEs - we cannot finalize your application until we receive them. You must either mail us your paper ROEs or drop them off in person at a Service Canada Centre. The Service Canada Centre addresses will be provided once you have completed your online application.

- ✓ If your employer submits ROEs electronically to Service Canada, you do **not** need to request a copy of your Record of Employment from your employer

- ✓ **Teacher's Contract** - If you had a teaching contract with a School District for the 2013/2014 school year and/or if you have received an offer of a teaching contract with a School District for the upcoming school year, you are required to provide a copy of your contract(s). If you have not been provided with a copy, please give the date the offer was accepted.

Receiving a Pension?

If you are currently receiving a pension OR you will be receiving a pension within the next 52 weeks, you will need to provide us with the type of pension, the monthly amount, and the date when your pension first started being paid.
