

## Project Profiles

### Project I Broadmoor Junior High School

**Scope I** Lease Support

**Annual Cost I** \$16,358

**Rationale I** Provides for leasing of 610.8 square meters of space at the Park Professional Centre for the special needs program operated at this school.

### Project I Fort Saskatchewan Christian School

**Scope I** Lease Support

**Annual Cost I** \$64,709

**Rationale I** Provides for leasing of 1,064.8 square meters of space from the Christian Education Association of Alberta (CHREDA) located at Fort Saskatchewan Alliance Church for the alternative Christian program operated at the school. This cost will cease September 2011 with the new school.

### Project I Strathcona Christian Academy

**Scope I** Lease Support

**Annual Cost I** \$221,590

**Rationale I** Provides for leasing of 6,694 square meters of space at the Sherwood Park Alliance Church for the alternative Christian program operated at this school.

### Project I Portables - Additions/Relocations

**Scope I** New Construction and/or Relocation

**Annual Cost I** Varies from year-to-year

**Rationale I** Each year Alberta Infrastructure requests School Boards to identify emergent needs for portables for the coming school year. The annual cost represents the approximate cost to add new portables, relocate existing portables and/or dispose of aging portables in any given year. The final amount will vary year-to-year.
