

## Fort Saskatchewan Boundary Review

With the continued growth of the City of Fort Saskatchewan and the increase of total student population, Elk Island Public Schools (EIPS) has been working toward the construction of a new Kindergarten to Grade 9 school in the South Fort area. The new school will allow EIPS to better manage the programs and resources in other schools in the Fort Saskatchewan community. To this end, a school boundary attendance review, which is being conducted by Stantec Inc., is underway. Phase 1 is now complete and Phase 2 is near completion. Stantec will be working on phases 3 and 4 in the coming weeks with an anticipated completion before the end of the calendar year.

### Fort Saskatchewan Boundaries Review Process

We will keep you informed through future newsletters and in the local media to announce project updates. There will be opportunities for parents, students, and community members to provide input on the review process at information sessions that we anticipate will be scheduled for late October.

If you have questions, please contact Dennis Dykau, the Corporate Secretary at EIPS, at [dennis.dykau@eips.ca](mailto:dennis.dykau@eips.ca) or 780-417-8266.
