

Paperless Pay Stubs

As part of Elk Island Schools' commitment to environmental sustainability, we will be moving to completely paperless pay stubs in September of 2014.

- ❖ As an employee, you will be able to access your pay stubs by logging into **Employee Self Service**, available in the **Quicklinks** menu on **Staff Connect**.
- ❖ In fact, these electronic pay stubs are available right now by [clicking here](#) for those interested in taking a look.
- ❖ This on-line feature is secure, easy-to-use and allows all employees to view their current/past pay stubs, anytime, anywhere, from any internet enabled computer.
- ❖ Throughout the Spring and leading into September, we will be providing more information about this exciting move and reminders prior to moving to completely paperless pay stubs.
- ❖ If you have any questions at all, please do not hesitate to contact your payroll contact.
