

PREPARING FOR KINDERGARTEN CREATION STATION

Step 1: Pick a Spot

You may have space to set up a little corner with a shelf for the items, or you can use an under-the-bed container you can pull out as needed. Outside might work too!

Step 2: Gather Materials

For example, different kinds of paper, recycled materials, pipe cleaners, gems, stickers, etc.

Step 3: Gather Tools

For example, scissors, glue, tape, pencils, markers and paint.

Step 4: Get Creative!

Encourage children to create whatever they're interested in! Make comments and ask questions about their projects.
